- vi. SUSANNAH NUTTER<sup>21</sup>, b. 15 Oct 1820, Hibson Houses, Little Marsden.

Notes for SUSANNAH NUTTER:

Notes for MARY NUTTER:

1841 Mary is staying with brother Lonsdale & wife Martha, probably helping with 3 young children. She is also listed on parents' census.

There is a marriage at Holy Trinity in 1848 between Mary Nutter & Henry Smith. Over 2,000 Mary Smiths in 1851 census - too many!

Notes for RICHARD NUTTER:

"Nelson Property" by D. Crowther (A-L)

The properties are listed in alphabetical order but the information is hand-written.

Hibson Houses Estate

Hibson House with barn, shippin and other outbuildings & 5 acres of land:- The Higher Field, The Lower Field, The Great Meadow and The Back Meadow.

It probably became 'The Railway Inn', but is not specifically stated in the deeds (roughly where Boots is now). It originally seems to have been part of the Chapel House Estate.

Birth date is actually baptism date at St. Bartholomew's , Colne.

1841 Living in Hibson Houses. Married to Margaret & 2 daughters, Elizabeth (29), Susannah (13) & granddaughter Margaret (James' daughter? 5) at home. Margaret however is also listed on James & Martha's 1841 census.

I think that we can safely assume that Richard & Margaret are James' parents.

1851 Aged 60, handloom weaver living with wife Margaret (61), daughters Betty (39), Susan (24), Margaret (15 - says she is granddaughter and not on 1851 census for James & Martha) & Elizabeth (granddaughter aged 4). Birth certificate shows that Susannah is Elizabeth's mother - no father listed. The family live in 'Woverdale'? Little Marsden.

1861 Richard is 70 & a twister, Margaret is 73, Betty (49) & unmarried, granddaughter Elizabeth is 14, both powerloom weavers. Susannah Elliott (34) married with daughter Louisa aged 7 months is living there. G'daughter Margaret has gone. Did she marry or die? She is not in 1861 census as Nutter.

1868 Richard died between July & September.

Margaret died between 1861 & 1871. There are too many Margaret Nutters who died between those dates to be certain when she died.

Notes for MARGARET RILEY:

Birth date is actually baptism date at St. Bart's, Colne.

37. TOM<sup>6</sup> NUTTER (THOMAS<sup>5</sup>, LONSDALE<sup>4</sup>, JAMES<sup>3</sup>, JAMES<sup>2</sup>, JOHN<sup>1</sup>)<sup>70</sup> was born Bet. Apr - Jun 1870 in Habergham Eaves, Lancashire. He married JANE JOHNSON Bet. Apr - Jun 1899 in St. Margaret's, Burnley. She was born 1860 in Camberwell, London.

Notes for TOM NUTTER:

1871 Living with parents at 98, Coal Clough Lane, Burnley. Aged 11 months.  
1881 After their parents' death in the 1870's, both boys are living with cousin Armstead & family.  
1891 Visiting the Redikale? family (think it might be Ridehalgh) at 28, Whittaker Street, Burnley. William R. is a club steward.  
1901 Cotton weaver aged 30, married to widow Jane Johnson (38) & living at 14, Bracewell Street, Burnley (St. Andrews district). Nellie Nutter is 8 months old and there are 5 Johnson children between ages 4 - 16.

There was a split in the family between the Nutter children and the Johsons, also between Jane and Tom and her older children. Jane was quite a bit older than Tom and if you look at the census she keeps getting younger which made it difficult to find her. Jane came from London and we lost contact with that branch of

the family until I made contact with Duncan McMillan a few months ago. He is a decendent of her sister Ellen Youngman and James Ewin.

I also did not put in my tree that Mary Anne Holgate's father was called William Hargreaves Holgate and I think that she and Thomas Nutter 1836 were second cousins but I have not been able to confirm that.

Notes for JANE JOHNSON:

1881 Cotton winder aged 21, married to Luther Johnson & living at 20, Earl Street, Burnley (St. Andrews District). Albert E. is 8 months old.

1889 Luther died aged 30. His death was registered in Bury. The family must have been living in Prestwich as William H. was born there.

1891 Jane is a 29 year old widow with 4 children, living back in Burnley, at 1, Abbey Street, Burnley (Stoneyholme district). She is a cotton winder, originally from London.

1901 Jane (38) is now married to Tom Nutter (1899) and they have a daughter Nellie aged 8 months. She also has 5 Johnson children living with them, the last one having been born in 1897! If Luther died in 1889, it seems likely that Tom fathered Wilfred (1894) & Miriam (1897).

Susan Park (Tom's gt. g'daughter) says that Miriam was known as Miriam Nutter and that her, Wilfred & Nellie were all very close.

As long as a widow did not remarry any children had to have the mother's married name. You could not register a child under its natural father's name, even if the couple were living together.

- i. WILFRED JOHNSON<sup>7</sup> NUTTER, b. 1894, Burnley, Lancashire.
