Obituary - David Smith 1872 – 13th March 1932 taken from the Burnley Express Wednesday, 16 March 1932 by Keith Baldwin

Burnley Solicitor's Death
Sudden End To Useful Life
Sportsman and Church Worker

By the death at his home, 11, Park Avenue, Burnley, early last Sunday morning, of Mr David Smith, Burnley has lost one of its best known citizens and a man whose activities and interests in various organisations had won him a wide circle of friends. Mr Smith had suffered from heart trouble for some time and about four months ago went to Ruthin for a rest and examination. He was at work on Saturday morning and at the Golf Club in the afternoon and evening, and his death from a heart attack in the early hours of Saturday morning came as a great shock to his family and friends. He had lead a very active life and was 59 years of age.

Mr Smith was the son of the late Mr David Smith, who was well known in the town as a member of the Town Council, and who with Major Berry carried on extensive building operations in the Healey Wood district. He was in partnership for over 30 years with his brother, the late Mr James Smith and when the latter died about eight years ago took his eldest son Mr Harry L Smith into partnership. His younger son who recently passed his final examinations as a solicitor, is also on the staff of the firm.

He succeeded his brother as Clerk to Brierfield Urban District Council.

For ten years he was joint honorary secretary of the Burnley Mechanics Institute. He was one of the founders of Glen View Golf Club, now the Burnley Golf Club, of which he had been honorary solicitor and a member of the council since its formation. He was actively concerned with the extension of the course, and was captain of the Club when the new clubhouse was opened some eight years ago.

For many years he was one of the most active members of Sion Baptist Church, where he was formerly a member of the choir. He took a great interest in the activities of the cricket club connected with the church and was a member of the team for 22 years on several occasions helping the team win the championship. He was also at one time a clever footballer, and played for several teams, including Sion, Worsthorne and St. Matthew's.

The old Burnley Choral Society owed a good deal of its success to his work as honorary secretary and he also helped in the production of several operas in which, as a tenor vocalist, he played several parts.

He leaves a widow, a daughter of the late Mr John Heap, two sons and a daughter.

The interment will take place at Hill End Baptist Burial ground this morning..

Extract from the Briercliffe Site
"Mr. and Mrs. Peacock, 11, Marsden Road, have received official news that their youngest son, Pte. Fred Milner Peacock, 2265, Royal Fusiliers, who was reported wounded and missing on June 15th 1917, is now presumed to have been killed on that date. Pte. Peacock, who was 23 years of age, was a painter and decorator on his own account, and carried on business at Lane Head. He attended the Higher Grade School ten years, including the whole period of his apprenticeship, and was one of the most capable students at the Technical School, his art being excellent. Mr. Thos. Crossland regarded him as one of his best students. Trustworthy and reliable as a man, he was of pleasant, frank manner. Officers of his regiment wrote expressing their sympathy with the relatives of the deceased, and 2nd. Lieut. Colin Gill described Pte. Peacock as a splendid soldier and well liked by all. His pluck and devotion to duty were an inspiration to all. Pte. Peacock enlisted on Feb 28th, 1916, and went out in August of the same year, taking part in some heavy fighting during the following winter and spring. He attended the Higher Grade School up to his joining the forces. The deceased was single, and was connected with St. John's Church, Briercliffe. A brother, who is serving in the R.G.A., has been out twelve months, and has been gassed, but is in training again at Whitchurch".
